

ABOUT TRAINING AT IT VISION

The IT Vision training room offers a spacious and comfortable room for activity based and seminar style training.

Location Level 3, 15 Ogilvie Road Applecross. (Our training room is on the same level as our offices. Just turn right as you exit from the lift, and right again.)

Directions: If you are traveling via the Kwinana Freeway, take the Canning Highway exit and head west (towards Fremantle). From Canning Highway take the first left turn into the Esplanade. Park and walk the short distance up Canning Highway and turn into Ogilvie Road. The turn off into Ogilvie Road is immediately before the footbridge over Canning Highway.

Parking: All day metre parking is available at the Apex Carpark on the Esplanade. Free parking is also available on the Esplanade past Rookwood Street. Click on the link for more information about parking.

Number of Participants: Maximum 10 and Minimum 4

Training Room Organisation:

- **Activity Based:** As part of the Course all theory and background information relevant to the current topic will be presented. There will be interactive discussion and hands on exercises. Each attendee will have their own work space, lap top and clear view of the projector screen
- **Seminars:** Presentation style training. Seating will be arranged in a theatre style with each participant having a clear view of the projector screen.

Supporting Material: Documentation, Training Manuals and Completion Certificates will be issued to all attendees that are registered on the Course

Refreshments: As part of your booking morning, afternoon tea and lunch will be provided when appropriate.
